MARTIN A. MARZORATTI

I know that Martin is at peace... but we miss him. Let me share something with you that helped us deal with missing Martin so much.

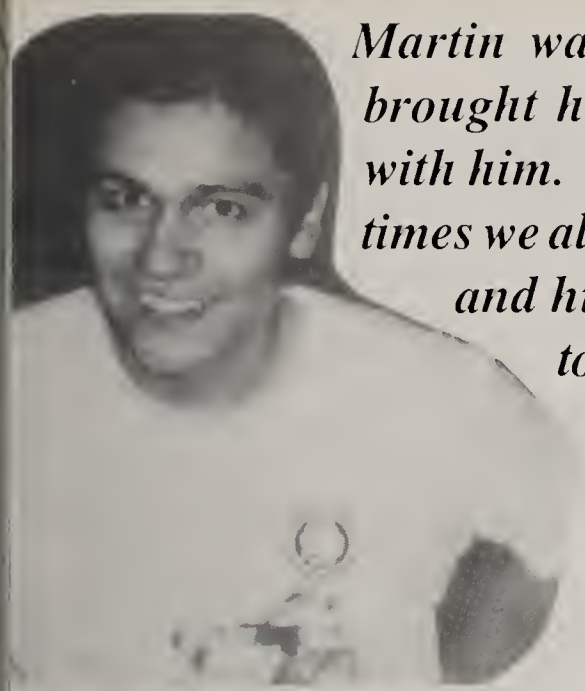
He left us doing what he loved to do best, riding motorcycles. He spent a lot of time fixing his bike, taking it apart, putting it back together, and studying mechanics. He wanted to be a motorcycle racer.

Martin made us smile. He made us think about life. He had great loyalty to his friends. Martin opened up his heart to some of us.

Were you lucky enough to know Martin?

Love,
Family

In Remembrance



Martin was a person whose lovable personality brought happiness to all those who were friends with him. There is just one word that describes the times we all had with him...fun. His charming smile and his unique sense of humor endeared him to one and all. One of Martin's best qualities was his will to befriend anyone. His mere presence could brighten your day. Although he is no longer with us he will always remain in our hearts and minds.

May His Soul Rest In Peace
1976-1993

In Dedication To
1976 - 1993
Martin Marzoratti

With Love,

Um - Uh - Ouch -Um - Help!

What? I'm just counting it!

Quick! To the HydroFoil!

There's a little blood on the bumper.

" Wood."

Hey Melanie, Um... where's all the children?

And for my next trick, I will Headbutt this saw.

We aren't allowed to use scissors yet.

Butane is a wonderful thing, huh?

See if you make fun of me now with this level stuck on your skull!

You want pickles with that?

Damn this head cold.

Hey, I'm getting Smashing Pumpkins or REM or something on this thing.

According to my calculations, the rewiring I did should wipe out all memory of my not paying dues.

Seniors of '94, "RULE"!

To the class of 1994 :

Congratulations. You have successfully completed one of life's true passages — a twelve year odyssey from childhood to adulthood. The joy of graduation is, however accompanied by the responsibilities of adulthood.

We, your teachers have done the best to arm you with skills and a work ethic you will need to succeed in your adult life. It is now up to you to apply your knowledge for the benefit of yourself, your family, and your society. For although you have needed us and your parents for the past years, it is we who now need you to work with us and lead us into the twenty-first century. It is your knowledge and beliefs that will form the basis of the society you, we and your children will live in for the decades to come. I hope Tri-County has provided you the bedrock upon which your adult future can be successfully built.

So, my message to you is that you accept your adult responsibilities confidently and enthusiastically. The excitement and joy which accompanies graduation can be experienced throughout your adult life if you remember that learning never ends. It is, rather, a process to be respected and enjoyed throughout your adult life.

My congratulations and best wishes go with you. Thank you for having been with us at Tri-County.

Mr. John M. Jones
